

Interfaith Social Services

(ISS) is a private, non-profit, non-sectarian agency serv-

ing people of all faiths. ISS has been working since 1947 to strengthen family life and to offer assistance to anyone in need. Programs include:

HomeSafe

HomeSafe serves South Shore families who find themselves at risk for homelessness due to financial hardship.

Counseling

Many individuals do not have health insurance coverage for counseling. ISS is committed to assisting these people in need. Chaplaincy services are also provided to patients at Quincy Medical Center.

Pantry Shelf

ISS's food pantry has been providing food to our neighbors in need since 1975. The Pantry Shelf provides food to more than 16,000 individuals annually.

Bureau Drawer

Since 1975, ISS's thrift shop has offered clothing, accessories, books, toys and miscellaneous household items at low cost.

Career Closet

The Career Closet provides free professional attire to men and women who are seeking work.

The South Shore WALK for Interfaith Social Services is an annual event, which raises funds for the programs and services offered by the agency.

The South Shore WALK will be held rain or shine.
